

Nicolas CHANUT

- **Citizenship: French**
- Current position: **Chairman and CEO of EXANE** (Exane is an independent investment company specialising in European equities, with three businesses: cash equities, equity derivatives and asset management. Exane employs 900 people in 8 offices worldwide).
- Education: MA in Philosophy, MSc in Economics
- **As a CEO, Nicolas Chanut strongly promotes the idea that the business world should get involved in the national educational endeavour and support academic institutions. EXANE's support to the recently founded Paris School of Economics, side by side with AXA, exemplified this pioneer undertaking.**
